DETAILED ACTION

The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

Claim Rejections - 35 USC § 103

The rejection of claims 7-12; 19-21; 23, 24 and 32-41 under 35 U.S.C. § 103(a) is maintained from the previous Office action and incorporated herein; because the newly added limitations of configuring the operational parameters of gaming machines based on the location of the gaming machine on the casino floor is notoriously well-known to those skilled in the art, see e.g. Kilby et al., Casino Operations Management, Chapter 7, Slot Management, "Floor Configuration", pages 120-122, (1998).

Response to Arguments

Applicant's arguments, see Amendment A, filed 8-5-04, with respect to claims 1-6, 13-18 and 29-31 have been fully considered and are persuasive. The rejection of these claims has been withdrawn.

Applicant's arguments filed 8-5-04 for claims 7-12, 19-21, 23, 24 and 32-41 have been fully considered but they are not persuasive. The added language is just what is notoriously well known to those skill in casino operations management as demonstrated by the sample pages from the book that the Examiner has provided. It is encouraged that the Applicant acquire the

complete book at their local trade book store and review the materials therein.

Allowable Subject Matter

Claims 1-6, 13-18 and 29-31 are allowed.

Conclusion

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
